COMPANY PROFILE

Overview

- ▶ Mang Domeng's Bibingka is a family business that started more than sixty (60) years ago in a traditional manner where the family member/s cook and the others sell it just outside their house. The recipe passed through generation.
- ▶ Last 2016, the product was introduced to the market through social media and immediately became a big hit. The expansion started January 2017 and continuously until today.
- ▶ Started with only one (1) cart and seven (7) employees, today we have managed to expand to Metro Manila and nearby provinces via company owned and franchise carts and kiosk. We also have around 100 employees.
